3. Once opened you will be prompted to the Main menu, here you can select any option, firstly we will be discussing the Cash returns (bottles & Crates).

When you do a return, you go to the returns department and offload or handover your returns, you will then be given a voucher with the quantity and amount on it, you can then use this voucher to purchase you next items.

Select the cash returns option. On the next screen you can scan or enter in the stock code for the item that you will be doing a return on. Once you have selected the item put in a quantity and press on save.

If you have the integrated printer, you can instantaneously print the voucher.
