GENESIS
Retail Software

Genesis Software by MRJ Consultants
is a South African company,
with experienced staff and proven functionality.
All development and support are done centrally
from our head office in Centurion.

Genesis prides itself on being groundbreaking
and started its journey in D.O.S. as a vision and
grew into the Windows Operating system in 2010.
We keep transforming!

››› LET'S CONNECT
Give us a call or send an email
to arrange a demo.

››› MEET UP
We will set up a meeting. You will be
contacted by one of our partners or team
members in your area to confirm a
meeting at your convenience.

››› QUOTE REVIEW
After a comprehensive product demo, and
business analysis. You will receive a quote
and implementation plan to review.

››› MAKE IT HAPPEN
Accepting the quote sets data conversion,
training, and the setup of your business or
store in motion. We will support you all the
way.

GENESIS IS A PLATFORM FOR TRANSFORMING THE WAY YOU DO BUSINESS

Genesis Software is a technologically advanced retail and
financial management solution. Genesis Software adapts to
meet your needs through unique customisations.

FINANCIAL MANAGEMENT SOLUTIONS
A comprehensive system with a cashbook, chart of
accounts, and general ledger

REPORTS AND POWER BI
Keep your finger on the pulse with report
notifications and monitoring core functions and
balances

NEXUS
Nexus can design a custom-fit solution for your
business, whether it's cloud backups, onsite support,
or customised cloud server solutions

E-COMMERCE OPTIONS
Integrate your existing system with a Woocommerce
online store. Genesis does the heavy lifting of
maintaining your online store and keeping your data
safe.

TRAINING AND SUPPORT
Make the most of Genesis features and ensure data
accuracy and efficient business operations by
equipping your team with the Genesis team as
support.

OUR CLIENTS

*"It is with much enthusiasm that I am
writing to recommend **Genesis.**
We have been using Genesis and
Nexus to do IT, point of sale, and our
CCTV projects for the past 20 years
and we have always been completely
satisfied with their performance.
They do an excellent job and offer the
most competitive rates in S.A."*

GENESIS

DATA MIGRATION

With industry-leading data migration services, Genesis ensures that your business keeps up and running. The Genesis team will transfer your debtors, creditors, inventory, balances, and even transaction history, making for a seamless transition.

OFFLINE TRADING

Offline trading functionality allows each client to trade disconnected from the server.

DETAILED JOB CARDS

Creating detailed Job Cards and direct invoices can streamline your business to effectively keep accurate data and control of the entire workflow process.

PREDICTABLE BUDGETING

Hosted software, is mostly priced on a monthly payment basis with minimal upfront costs. Monthly payments can easily be factored into cash flow expenditures allowing for predictable IT budgeting

USER FRIENDLY + FLEXIBLE

Genesis has an in-depth understanding and experience of what makes software usable and flexible. As a prominent role player in the Retail FMCG Industry, Genesis has shown agility and ease of use of the product.

FINANCIAL MANAGEMENT SOLUTION

A comprehensive financial management solution with cashbook, chart of accounts, and General Ledger included

GENESIS E-COMMERCE

Genesis Ecommerce utilizes a WooCommerce-based solution that integrates with Genesis and has the advantage of importing sales orders placed online via the WooCommerce store directly into your system.
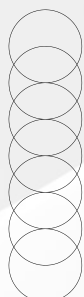

ADVANCED AUTO ORDERING

Advanced auto ordering (minimum and maximum stock levels) per item and per supplier. Can be centralised for a franchise environment
